Heritage Varsity Soccer: The Legend Continues

The Heritage Boys Varsity Soccer Team posted an outstanding regular season and went all the way to sudden death overtime in the state final tournament before ending its season with 21-2 record.

The season began with the "Springfield Invitational" where they played over a number of teams on the way to capturing the title. Co-captain Chad Kingsbury was named Tournament MVP. The team also won the district championship, the regional championship, and the coveted Sportsmanship Award. Practices were difficult and long this year, and the players were asked to work to their limits. Even though the practices were difficult, the team found enough energy for humorous stunts such as watching Eric Rilko climb the football goal post and call himself the "human football." Coach Bill Hartle's laconic response to the team's extra-practice antics was simply, "Amusing."

As the team advanced toward the state finals, team practices became more tense and the pressure began to show on the players. The final tournament game was played at Bloomfield Hills Andover against Livonia Stevenson, to a capacity crowd of Hawk fans. At the end of regulation time the score was 1-1, sending the game into sudden-death overtime. The Hawks were defeated 2-1, but walked away from the season winners, setting a standard for other teams to match.

Mark Crelly above the rest.

Captains Tim Slade and Eric Brenner helped the Hawks lead their record to 9-6-0. The team varied in age but it didn't affect how the team played as a whole. Teamwork was a big part of their success this year. The Hawks' best defenseman was Anthony Yaksic and their best offensive player was Ryan Quinn. These awards were given out along with others at the end of the season. The freshmen played a big role on the team. They included Troy Hiser, Matt Moreno, Ian Swope and John Macnowski. As Goalkeeper, Hiser did an outstanding job and made his way up to play with the Varsity team during their tournament games. He states, "Our team got along and worked well together." Another player commented that he enjoyed riding on the bus and liked watching the varsity players, "go nuts".

"We started our season slow but we kept getting better." Anthony Yaksic

"Our team had a lot of Chemistry." Matt Moreno

The Freshman soccer team finished another successful season with five wins, three losses and one tie. The team worked together well under the leadership of Coach John Ayala. Jason Rychel said, "Coach Ayala was great. He told great jokes."

The team learned a great deal by having a different captain for each game. Each of the team members had the experience of leading the team to a victory.

The 91 football season proved to be a great let-down for the members of this year's varsity team. By the time summer practices began, the Hawks had already been picked by the Detroit Free Press to reach the state finals. Unfortunately, this dream would not come true. When asked about team morale, quarterback Jim Senkowski said, "Spirits were high until our disappointing loss at our first game against Arthur Hill." This was to be a game of revenge for the Hawks, yet it backfired in an upset. Team leaders Joe Himmelein, Darren Miner, Jim Senkowski, Brian Picklo, Ryan Bennett, and Frank Waters tried to keep spirits high but at times this was tough. Keeping a consistent starting lineup was a great task with thirteen starting players out because of injuries. Although this was an upsetting season, the team gained much respect because they never quit. "That is the true lesson to be learned," said defensive end Joe Himmelein. The Hawks finished the season with a record of three wins and six losses.

White Pine Conference Champions

Determination and preparation were the key factors to what led Heritage High School's J.V. football team to victory. They became the 4-0 White Pine Conference champions under Coach Kurtz and Coach Rybak's leadership.

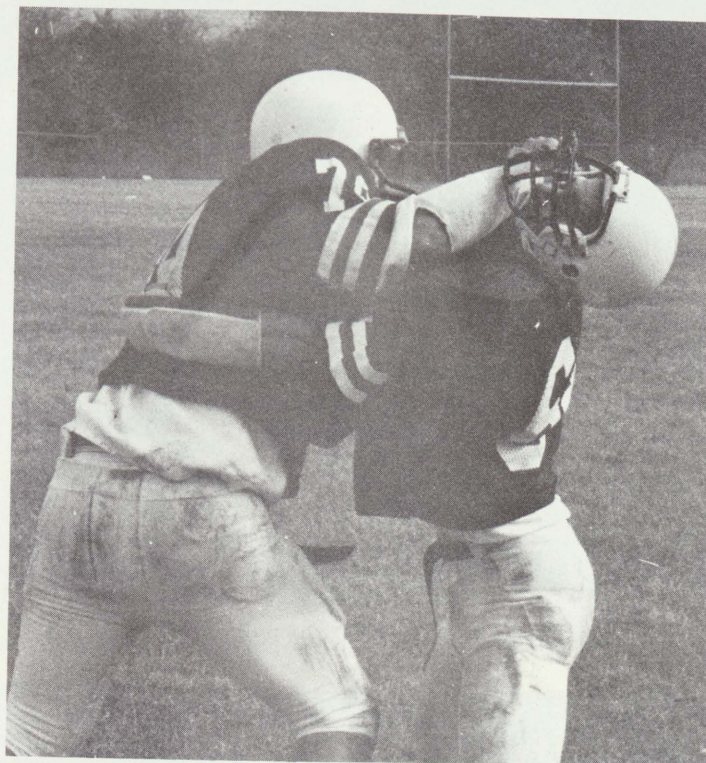

The J.V. team finished with a record of six wins and three losses, out scoring their opponents 223 to 127.

Key players to this year's offense included Matt Grigg and Milton Ballard. Grigg gained over 1000 yards by out running his opponents and completing passes. On the other hand, Ballard gained over 1000 yards on rushing alone.

The defense of the hawks was led by Ryan Theil and Jeremy Rittenhouse. They led the team with over 100 tackles each as linebackers. Also, Brad Gomoluch finished with a very respectable 70 tackles as the top defensive end.

Coach Kurtz commented, "This years group of J.V. players were focused, intelligent, and gave 110% every game. With further experience in the next few years, this group of players will be extremely successful".

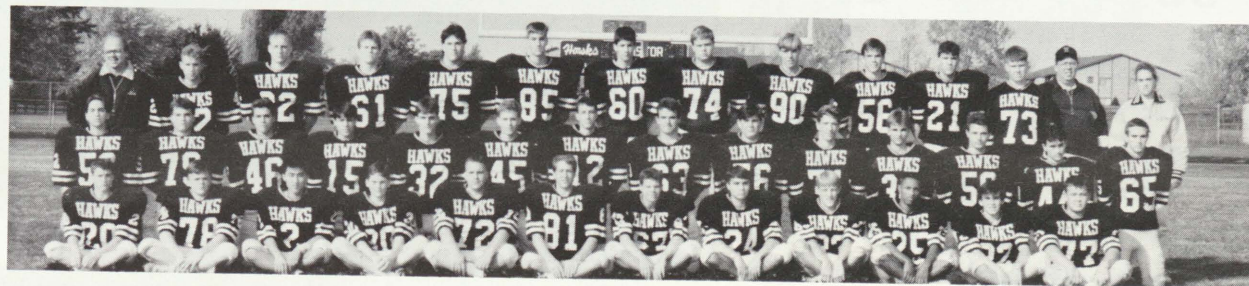

The team received much experience this year and will be back even stronger for the 1992-1993 season.

Let's Dance!

It's time for our secret weapon!

For the Freshman football team, the 1991-1992 season was very disappointing. The team this year ended with a record of 1 win and 8 losses. Coaches Jim Lent and Jim Blue both agreed that at times coaching these kids was very tough work. Although their record showed little improvement, defensive tackle, Bennie Woodard stated, "We learned a lot of fundamentals for the 1992-1993 season.. Even though we weren't too successful I'm sure we will show much improvement in the years to follow."

"We had a lot of fun and the coaches taught us a lot about never quitting. There was a lot to learn about football such as working as a team rather than individuals." - Jonny Worthen; Quarterback.

The Heritage Girls' Varsity Basketball team did an outstanding job this year and ended with a season record of 13-8. They were also conference champions and received a 7-1 record. The team was fairly young, but this didn't hold them back! The Hawks consisted of 8 junior players and only 4 seniors, but this didn't stop them from working together and supporting each other both off and on the court. Good job girls!

Heritage Girls J.V. Basketball had a very close knit team this year. "We were like a family". Kristy Kelly states. The team agrees that the reason for their success was their great coach, Kris Johnson. Coach Johnson was a friend and motivator to all the girls. J.V. was White Pine Conference Champions with a record of 8-0. "Coach always told us we were always ready to play basketball on the court and at practice." says captain Sara Van Wormer. The teams hard work and dedication to the game led them to...

"It was definitely more than we had ever expected," proclaimed Mr. James Benjamin when questioned about the varsity golf team's season. The team finished with sixteen wins and six losses, the best record in Heritage's history. Despite having only three seniors, the team showed great maturity with the younger players coming through when they were needed. The team was led by junior Nick Anagnost, who had an average of 76, along with senior Adam Wolfe and freshman Todd Skroki, both with averages of 79. Rounding out the top five were senior Beau Dambro (average of 82) and sophomore Bryan Sallman (average 86). Perhaps the toughest competition that Heritage went up against this year was Mount Pleasant, who nipped the Hawks by a combined total of two shots in their four conference matches. The team placed third in regionals and nineteenth in the state tournament.

Heritage Varsity, J.V. and Freshman Volleyball

The three Heritage Volleyball teams were coached this year by Barb Pohlman-Kuznicki, Varsity; Kris Johnson, Junior Varsity, and Kelly Landeryou, Freshmen.

According to coach Barb Pohlman-Kuznicki, the varsity team was "pretty successful" in its games. "There were a lot of second places. Because of this we were called the bridesmaids," she said. The team placed second in the district and the coach noted that there was "a lot of talent" among the girls on the team.

Junior varsity team member Amy Reynolds was satisfied with her team's overall record. She said "We achieved a lot of wins and I feel that we worked hard for every point we earned." The team placed first at the Clio invitational. Amy says, "The reason we did so well is that we all worked together on and off the court."

The Freshman team was also a team to watch this year. Torey Flynn stated her feelings about the team's overall record when she said, "I think we scored really well in every game we played." She continued, "We had a lot of fun this year and enjoyed working together."

The Hawks hockey team posted a record of 8 - 12 - 2 this season. The team had fun, except for their five o' clock in the morning practice sessions. The icers continued their rivalry with Arthur Hill and Nouvel Catholic Central. Ty Newberry led the team in scoring with 32 goals and J.J. Swanton followed with 25 goals. The trips in the southern cities were the best. Violence marred competition against East Lansing and Swartz Creek with post-game disturbances which included throwing sticks and helmets at the crowd, and brawls in the parking lot. The team was coached by David Michelson and William Paige.

VARSITY

The varsity basketball team did well this year, winning 12 and losing 9. Coach Terry Boswell said that he felt he had a good team playing for him this season. He had a lot of help with his team from his assistant coaches Tom Rybak, Ron Megregian (freshmen A team), and Tim Conley (freshmen B team). The team beat all of the Saginaw Valley teams they played, but had trouble against the schools they played in the regular season.

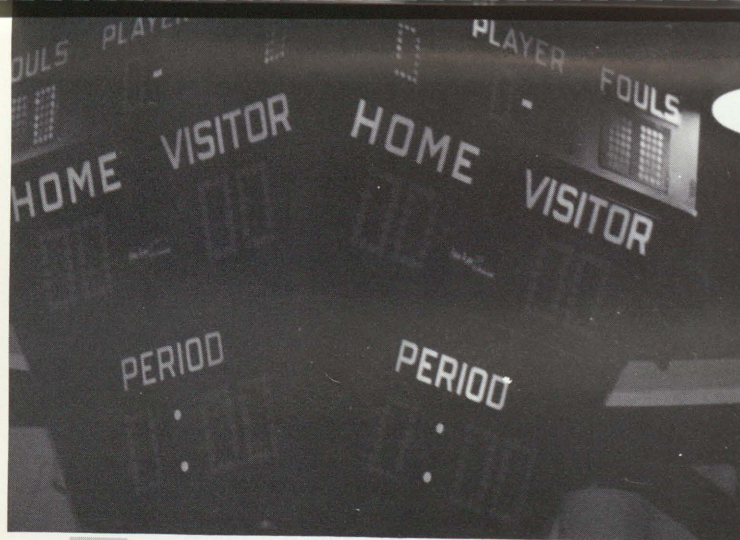

Heather Long, Amy Long, and Sara Sobol faithfully attended the games to record the player's statistics. Speaking of statistics...

The top scorer for the team was Jason Nigl, who scored a total of 290 points. Jason Leslie was the top rebounder, grabbing a total of 128 rebounds this season. The player who sank the most free throws was Tony Kuberski, who made 63 out of 85 for a 74% total.

The team had a banquet at Cinema and Suds at the end of the season where awards were presented to six of the players for their part on the team. Jason Leslie was voted Most Valuable Player, Keith Rybak was presented the award for Most Improved Player, the Defensive "Hawk" Award went to Eric Rilko, Jason Leslie received a second award for Chairman of the Boards, the coaches award was given to Jason Nigl, and Brian Hartl won the Sixth Man Award. These are very special awards because the team members vote for who will receive them. To be honored by fellow players is a great honor indeed. Congratulations, and congratulations to all of the team and the coaching staff on a successful basketball season.

Heritage J.V. B-ball

The J.V basketball team ended the year with a 14-6 total. The team had a lot of fun, and a few thrills. When asked about the most thrilling game he played in this year, Jeff Casey said, " I think the most thrilling game of the season was against B.V. The game was at B.V. and we lost by two points. The part that was most exciting was when I had a shot to win it, but I missed." Poor Jeff! When asked what he thought was the most memorable game this year, Ray Baranski said, " The most exciting game of the year was when we upset B.C. Central by two." Well, these two guys have fond memories of the year as all of the team must. Nice work, and we hope to see you playing again next year!

Matt Grigg tensed and ready to swish it in at the free throw line.

Both of the Freshmen teams did well this year. Best of luck in all of your future basketball endeavors!

NEED A LIFT??

"Wrestling is the most demanding high school sport, both physically and mentally. It's not just all of the push-ups, running, and wrestling that makes it so demanding, there is also the weight cutting.

Not eating or drinking for over twenty-four hours, and running with a plastic suit or sweats on to dehydrate your body to lose weight is very trying on you, both mentally and physically (no stopping at the drinking fountain after a work out).

There is also the fact that you are all alone on the mat, there's not any teammates, it's just you, one on one with your opponent. This is the time when you find out what you are made of, there's no one to blame but yourself if you lose. But in the end, if it's your hand that is raised in victory, all of the work was worth it."

The varsity squad attended every home football and basketball game and still had time to promote other school events such as pep assemblies, parades and individual class competitions. The Heritage Junior Varsity Pom-pom squad did another outstanding job supporting both J.V. boys football and basketball games. They attended a summer camp with both the Freshman and Varsity squads. They practiced hard and this led them to receive 2nd place in the state competition, which took place in mid February. Their hard work sure did pay off! Great work J.V.!

For the Heritage Varsity Baseball team, this season was full of many unexpected twists and turns. Starting off strong, the Hawks split a two game double header with state ranked Bay City Western. After taking a few loses, the hitting and pitching finally started to come together. Led by pitchin aces Jason Leslie and Phill Roberts, thier record quickly rose to a respectable 16 wins and 11 loses: With this record they also earned the right to advance to the District Semi-Finals. The Hawks first faced Alpena. Excellent hitting, pitching, and defense gave them a 12 to 3 win. The season came to a close with a disapointing loss to Midland and a final record of 17 wins and 12 loses. Darren Miner and Jason Leslie led the team in batting with averages over .430 each.

Girls Varsity Soccer On The Move

The Heritage Girls' Varsity Soccer Team, coached by Mr. Rol Crane, did a great job this year. Senior captains Julie Braun and Angel Paetz, did an excellent job encouraging the team to victory. Braun, the goalie adds, "Our team got along well together, and it really showed on the field." The Hawks couldn't have done it without their freshmen, Jill Mikoleizik, Julie Smith, and Karissa Stone, who helped their record become an outstanding 10-2-5.

The girls could certainly become track stars. They ran approximately 8 miles a week during practices, and this really paid off. The team admits that they "don't poke around." Nearing the end of the season, players were moved up to help out during the finals. Unfortunately, the Hawks lost to Midland Dow in overtime during the district final game. The Hawks did a great job this year despite the disappointing loss.

The seven sophomopres and jumiors also did an excellent job this year. The seniors, Stacey Kutch, Amy Wade, Lisa Procuro, and Michelle Mukhurgee put their outstanding abilities into the team's effort. Both Stacey and Amy received schorlarships to go to the University of Toledo and continue their softball careers.

The Heritage girls J.V softball team's season proved to be an excellent learning experience for the girls on the field. The thirteen girls were made up of eight freshman, four sophomores, and one junior. These girls worked diligently towards victory but were often disappointed by the results. They had practices on Mondays and games on Tuesday, Wednesday, and Friday. The tough schedule kept the girls busy so the coach gave them Thursdays off to provide time for homework and rest. Being Coach Lent's first year, he learned along with the girls. They ended the season with a record. Good job girls, and good luck next year.

GIRLS'

GOLF

Despite the less than perfect seasons of the past, the girl's golf team pulled through and put together a decent season this year. Although they didn't finish as well as they may have wanted to, they turned their winless season into a three-win season...they are moving in the right direction. The team is going to have to continue this positive movement without the leadership of their number two player Katie Sullivan, as she is a senior. The highlight of the year may have been Melinda Spaedt's school record of 49 strokes in Mount Pleasant. Mr. Benjamin is happy with the girls' performance and is looking forward to the years to come. The Heritage varsity cheerleaders had a great year with four additions to the squad midway through the season. At a squad spaghetti dinner for the football team, the girls recruited Eric Weiss, Chris Williams, Guy Demaselis and Dave Guzman for the team. The guys found cheerleading to be harder work than football at times. Hard work and a season of 5 a.m. practices took the squad to a first place in the N.C.A. Championship.

They attended camp during the summer and worked hard on fundraisers such as car washes and candy sales. The girls had a fun time cheering at games. Life With.... Father

Melina Paez, Dee Lambertson, and Ebru Yonak: Three blind mice, three blind mice.

The first semester play was directed by Mr. Royle. It's cast consisted of: Robert Walter as "father"; Melanie Hill as Vinnie, the mother; Jeff McCarthy as Clarence; Erich Brown as John; Mike Duffield as Whitney; Mandie Whitmill as Henrietta; Tanya M. Wazny as Cora; Colleen Clemens as Mary; Ray Whitney as Rev. Dr. Lloyd; Grant Sienko as Dr. Humphreys; Nick VanderBorgh as Dr. Somers; Dee Lambertson as Margaret; Melina Paez as Annie; Heba Elkasabi as Delia; Ebru Yonak as Nora; and Nicole Hazen as Maggie. Life with father is a play that takes place in the Day home. It deals with the father never having been baptized, Clarence at last finding a girl, and father never being satisfied with the maids. "Father", a typical 1800's father believes that the control of the house is in his hands, but in reality Vinnie is the foundation. It was an entertaining play, enjoyed by many. The cast really worked hard to pull off a good show. Encore, encore!

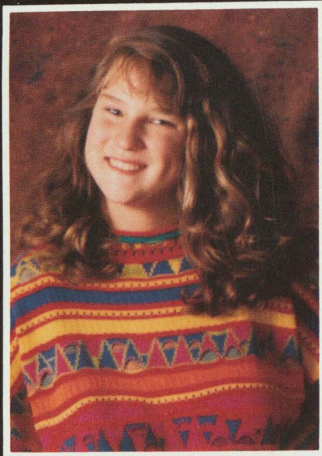

Dee Lambertson as the cook and head maid Margaret, comes up with an interesting brew.

In loving memory of
Mary Ellen Klein

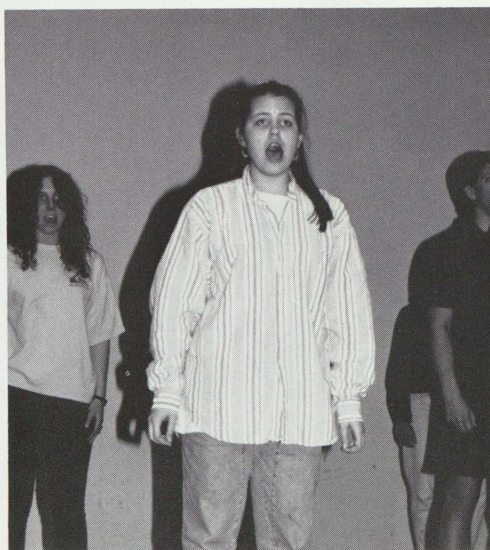

We knew her as teacher, friend and colleague. We remember her as gentle, caring, and competent. In dying, as in living, she modeled faith, serenity and humility. Though our time together was all too brief, we give thanks that we were part of her walk, and that our lives were touched by one so beautiful and loving.

 Bottom L to R: Elizabeth Miller, Dina Harrison, Jacqueline Kerns, Shelly Smith, Christine Sweigart, Sara Barrera, Heather Nicholson, Olivia Burtch, Jennifer Samson, Janice Teliczan, Tracy Spendlove, Christine Czerewko

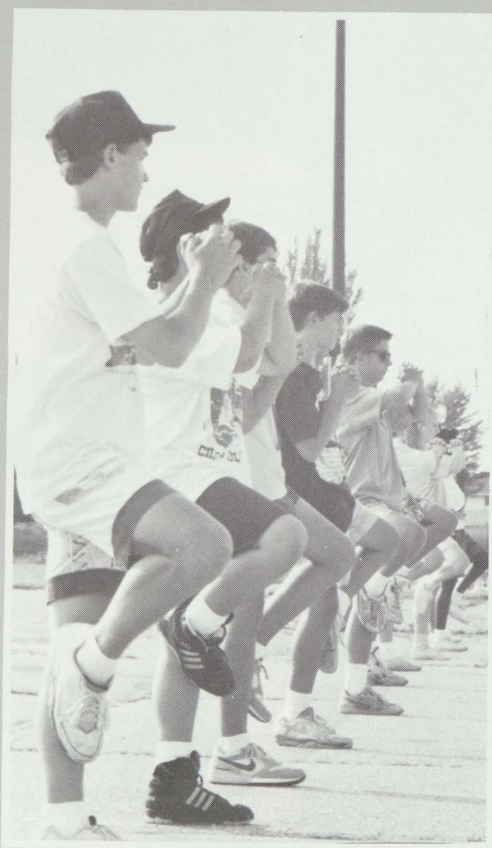

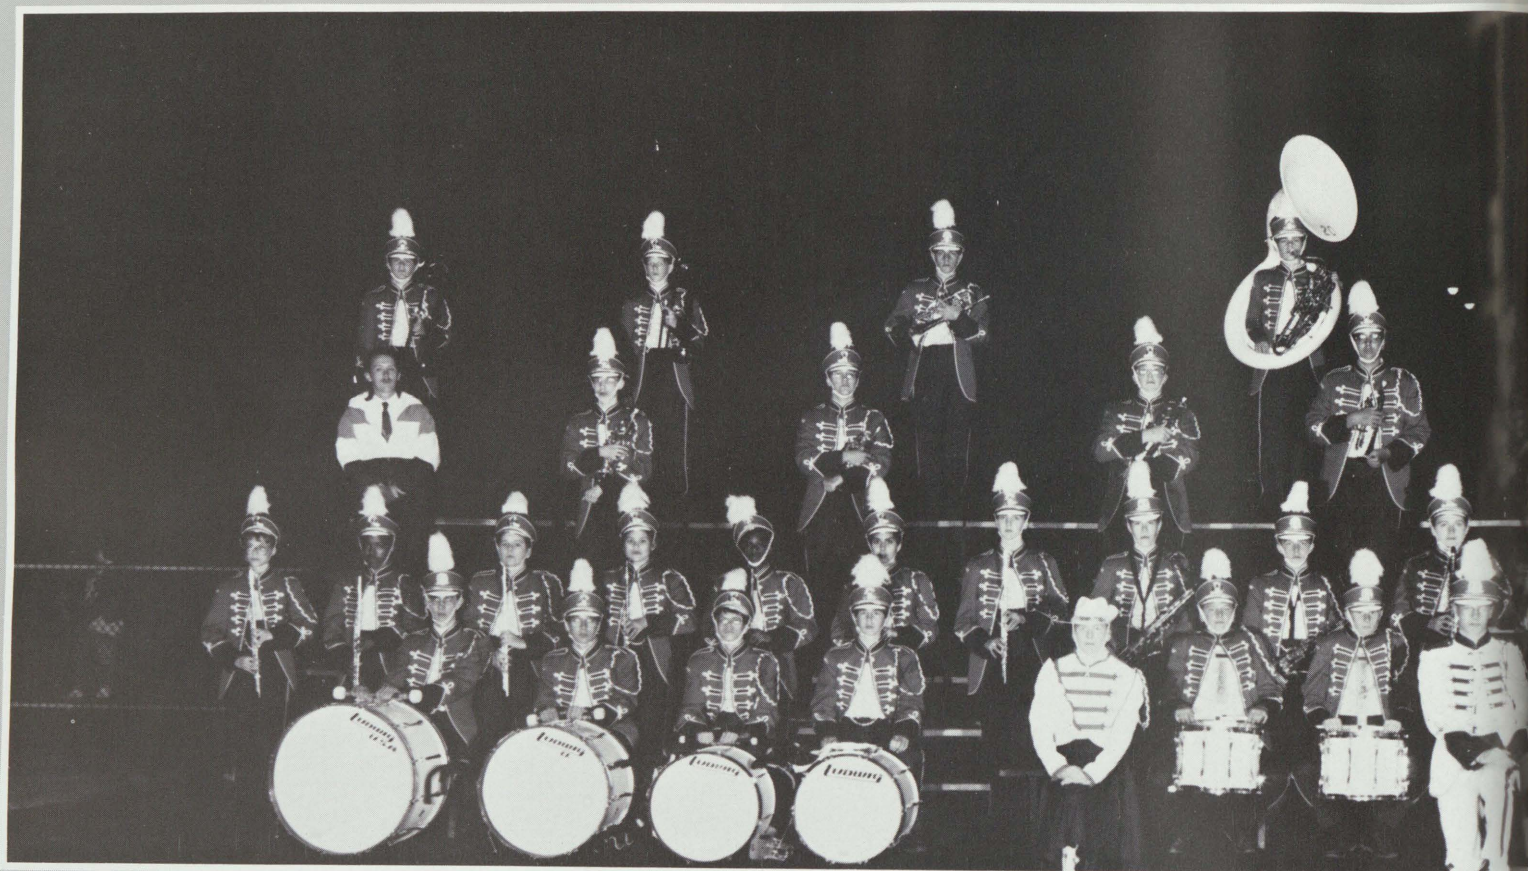

This year's Heritage Varsity Choir is an excellent group. They have performed in a number of entertaining concerts throughout the year. These concerts range from The Festival of Trees at the Civic Center to performing for elementary students at Hemmeter school.

This year the Varsity Choir traveled to Toronto for the Fest-i-val competition. They competed in the show choir division and took third place. According to Christine Sweigart, "With our hard work and dedication, I knew we would be able to do quite well."

Band marching in the Homecoming parade.

76 Trombones...

Oh when the saints go marching in!

There were 42 people involved in band activities (10 drums, 8 clarinets, 5 saxophones, 9 flutes, 8 trumpets, 2 baritones, 2 French horns, 1 tuba, and 2 trombones). The band broke up into a symphonic band, a jazz band, a marching band, and a pep band on various occasions over the year.

The marching band practiced hard, coming in during August before school started, to learn the drills. They participated in the Homecoming parade and the Pride Parade. They also marched at CMU's Band Day, and at the MSBOA District 5 Marching Band Festival, at which they received a third division rating.

The jazz band started the year out as 4 musicians—Mr. Graham, Mr. Valasek, Jeff Wiles, and Doug Bellen. As the year went on, the jazz band gathered up Eric Freier, Chad Metiva, Brian Churchill, Ryan Sedlar, Eric Berghoff, Audra Patterson, Becky Potter, and Janel Sowa. These folks jazzed up the band concerts this year, played at the WMU Jazz Festival in March in a competition against other Michigan jazz bands, played for the Rotary Club luncheon at Sullivan's, played outdoors at lunch during Alcohol Awareness week, and played at several banquets in May.

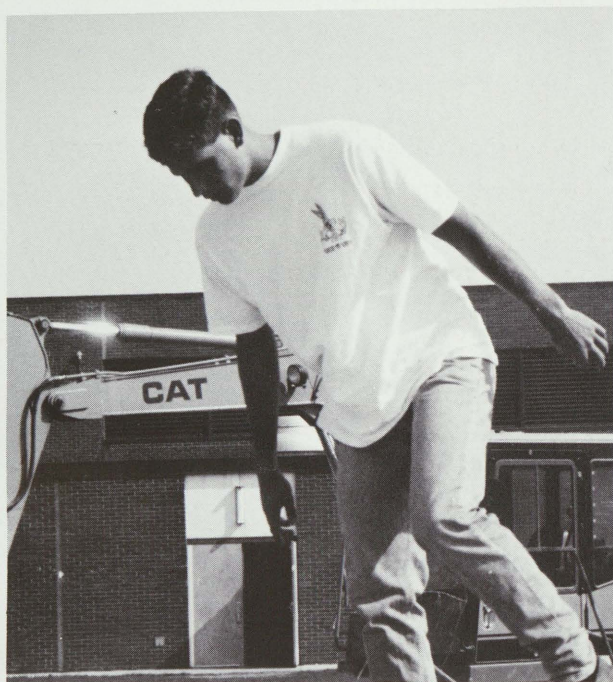

The pep band showed up to cheer on our basketball teams at the home games.

The symphonic band played at the MSBOA District 5 Band Festival at Bay City Western. There, they won the rating of a second division, class A band.

This year, for the first time in Saginaw Township's history, there was a high school orchestra band. It consists of Amanda Gomoluch, Desiree Primus, Brian Churchill, Brian Litskey, and Teri Chen, and was led by Mrs. Wimsatt. Early this year, they competed at an orchestra competition in Midland, and played at McBrite Manor. They also played at the Veteran's Hospital in May.

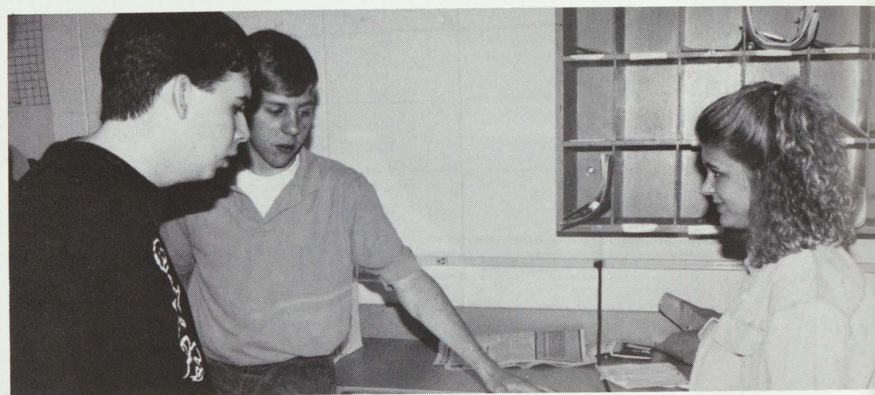

All of Heritage can be proud of our school for being the first in the Township's history to have an orchestra.

Congratulations to all of the band on a successful year!

Darren..... aren't you supposed to be in class ?

THE VOICE

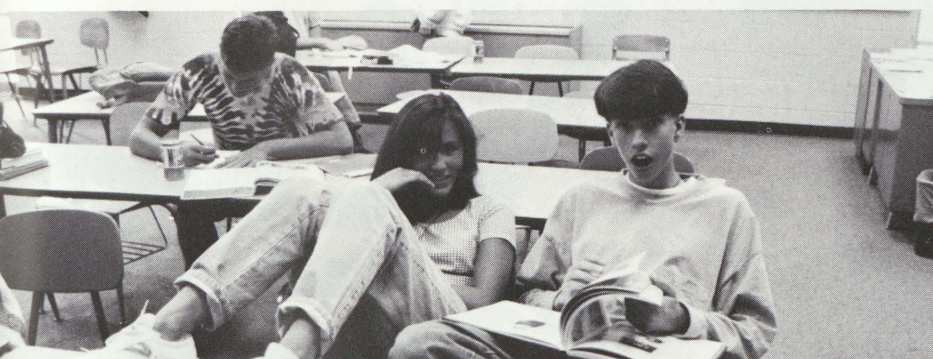

HERITAGE HIGH SCHOOL

Computer technology and a new design were hallmarks of this year's **Voice**. Under the leadership of Managing Editor Andrew Taylor and Design Editor Scott Woods, the staff published eight tabloid sized papers, distributed free of charge to the Heritage student body. Associate Editor Amanda Banning, Art Director Bryant Reif, and Senior Staff Writers Nora Goodell and Darren Miner completed the leadership corps. Staff writers Erich Brown, Kent Hegenauer, Mike Demetriou, Dina Harrison, John Denton, Melissa Kelly, Elizabeth Mobley, Vaughn Wagner, Matthew Wideman and Luisa Buzon provided coverage of campus activities. Although not members of the class, Tom Connolly served as photographer and Andy Tyra contributed artwork.

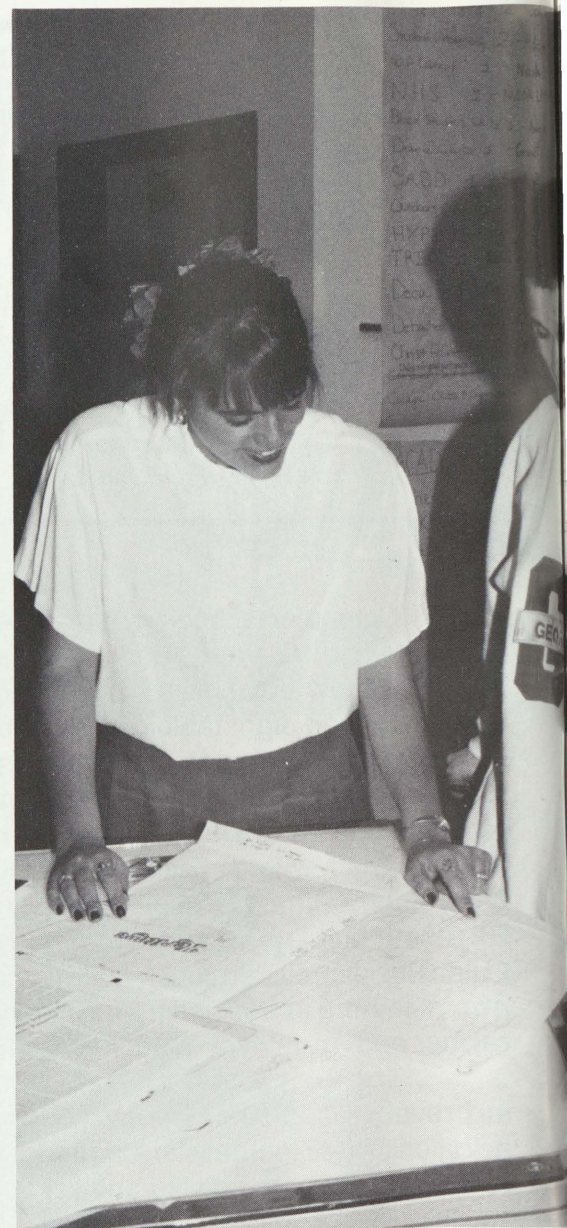

The **Voice** was supported entirely through advertising revenue and operated on a budget of nearly \$4000. In addition to their journalistic assignments, staff members were required to sell advertising and service accounts.

The 1991-1992 Heritage High yearbook class has been dedicated to making the fourth issue of the "Legacy" just as great as the previous year's. Every student worked hard to contribute to this year's yearbook. Editor Julie Braun was the yearbook's main source of control throughout the year, making sure the pages were in on time to meet the deadline. Many of extra hours were put in by all of the members of the yearbook staff. We worked hard knowing all of the expectations that were upon us. In the past we have all heard negative remarks about the quality of the yearbook and how much improvement was needed. The staff was determined not to disappoint the students and staff at Heritage High School.

CAREER OPPORTUNITIES

The Averill Career Opportunity Center is an amazing catalyst in the beginning of any career. C.O.C. holds classes in a wide range of fields, from aeronautics to welding. The importance of the programs offered is unquestionable. The students may use the skills they have obtained at C.O.C. as a shining symbol of personal accomplishment on any resume. Not only is C.O.C. a great place to learn, it also offers job placement after the completion of the course.

C.O.C. AND CO-OP

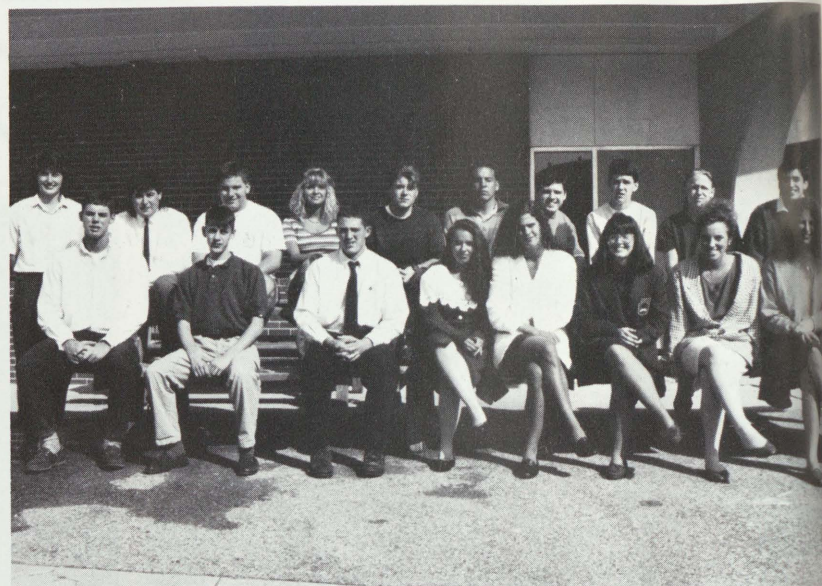

Marketing

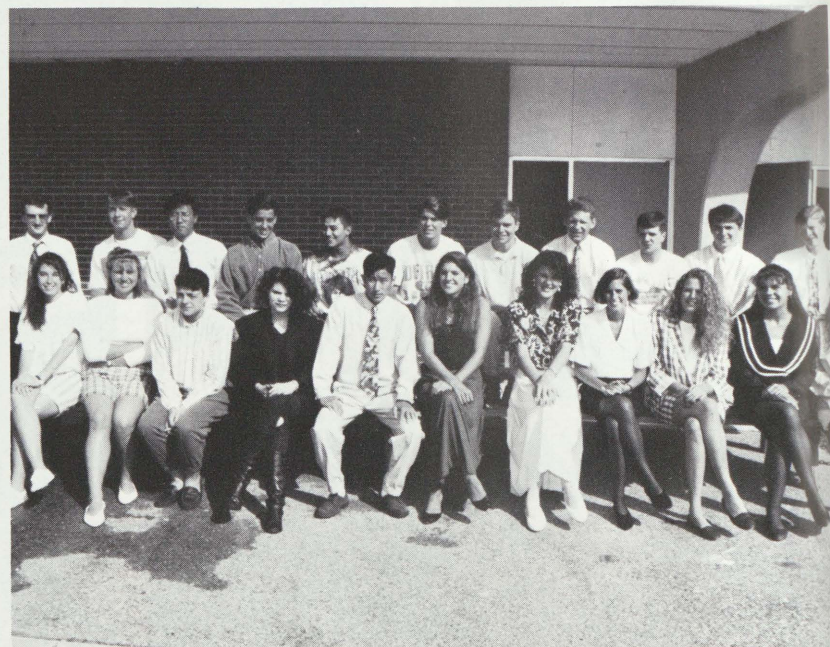

Miss. Johnston and Mr. Graham taking care of business.

These are our future business leaders???

The marketing program's school store *Campus Corner* enjoyed yet another successful year by providing Heritage students with school supplies, clothing, and food. Mr. Patrick Graham joined the Marketing program replacing Mr. Gerry Dalek, who left teaching and ran for school board. Under the supervision of Mr. Graham and veteran teacher Ms. Julie Johnston, the store turned a profit again. An expanded clothing line and the addition of the slat walls helped attract customers to the retail area. The Marketing II students did an excellent job running the store this year.

THE ENDGAME

Sammual Beckett's the "Endgame" is the first fully student produced play at Heritage, if not the area. Seniors David Duffield and Genoveva Castaneda serve as the play's Co-Directors. Other cast members are: Melina Paez portraying Hamm, a blind person confined to a wheelchair; Leigh Fettinger portrays Clov the only one able to move about in free will, but can't sit; Erich Brown portrays the part of Hamm's father Nagg who is doomed forever in a bin due to the loss of legs; Ebru Yonak portrays Nell, Nagg's wife, who also suffers from the same disability; Dee Lambertson is the "inspiring" Stage Manager and life blood of the play; Pat Strzyinski, former Heritage student, produced the setting; and Carson Coates provided suitable background music. Sarah Rousseau feels the play wasn't well explained enough (due to the old verse of the script) but feels inspired to give drama a shot. Jenel Sowa liked the acting but didn't care for the choice of the play. Both feel they would like to see more student produced activities. The whole play takes place in a bomb shelter after nuclear devastation. It is more of a play where you leave, not pondering the play itself but rather your own existence. Life is a game, and the only way out is through the end.

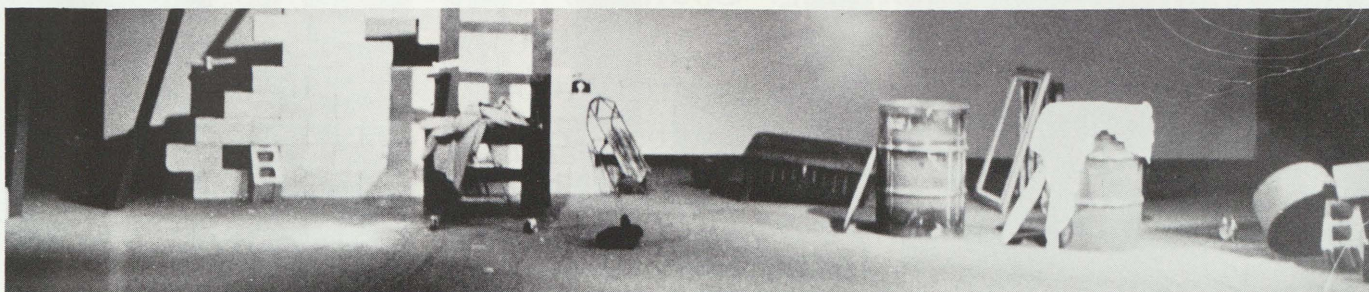

Nagg tries in vain to wake his wife Nell played by Ebru Yonak

HEAR THE HI-FI'S

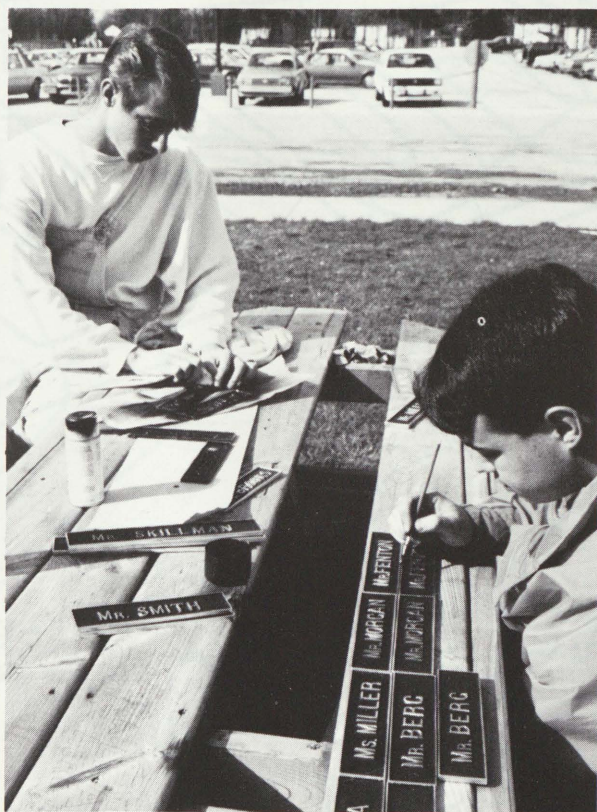

Hi-Fi's is an all girl choir performance group. Each girl has experience in singing and enjoys performing. Countless hours of practicing goes into each fabulous performance. "Hi-Fi's is a talented group of girls that really love to perform," said Lauren Lambertson.

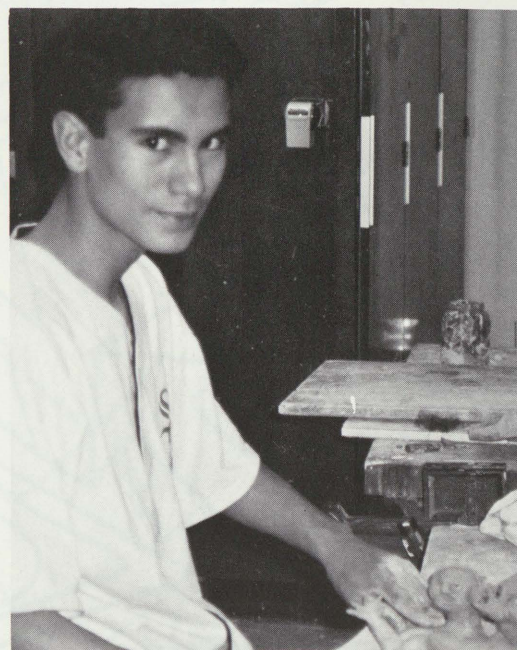

Art And Wood

Hey guys! Say Cheese!

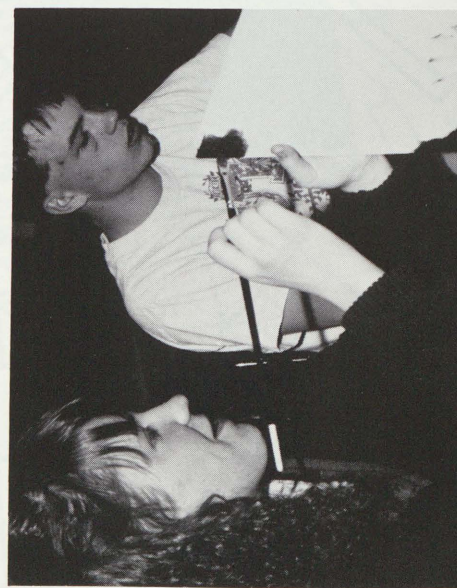

You guys are good, You should take up house painting

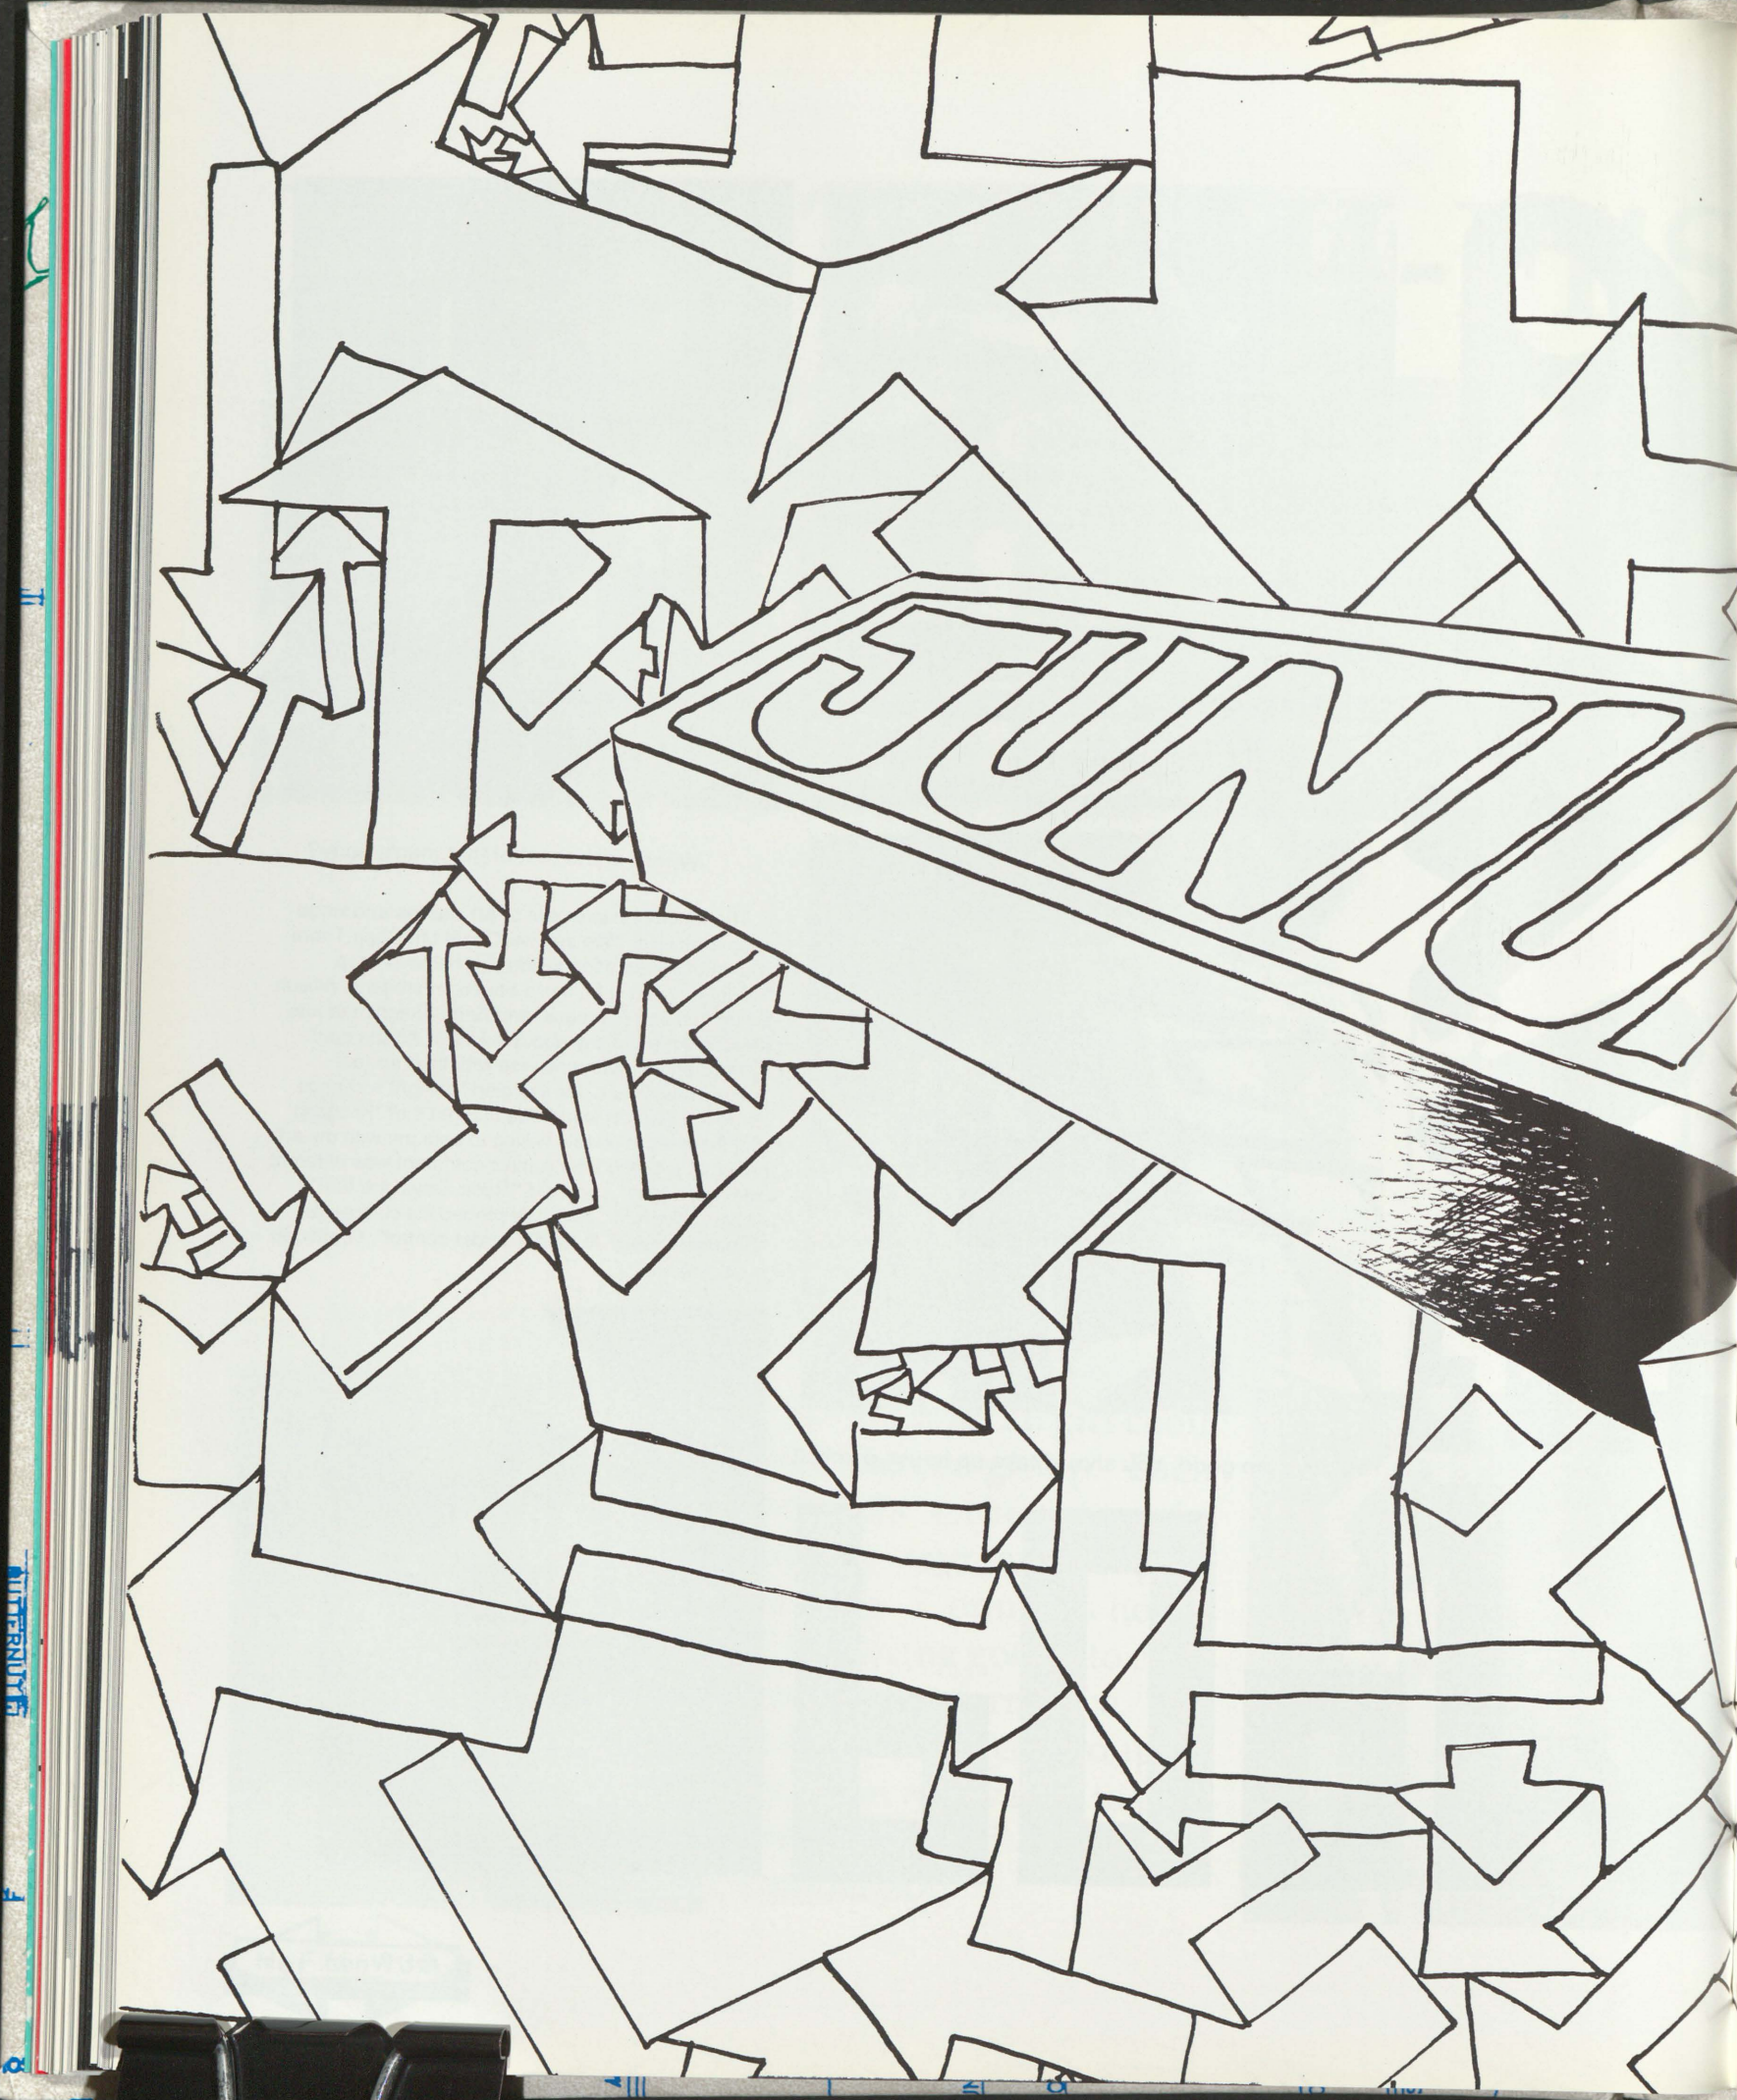

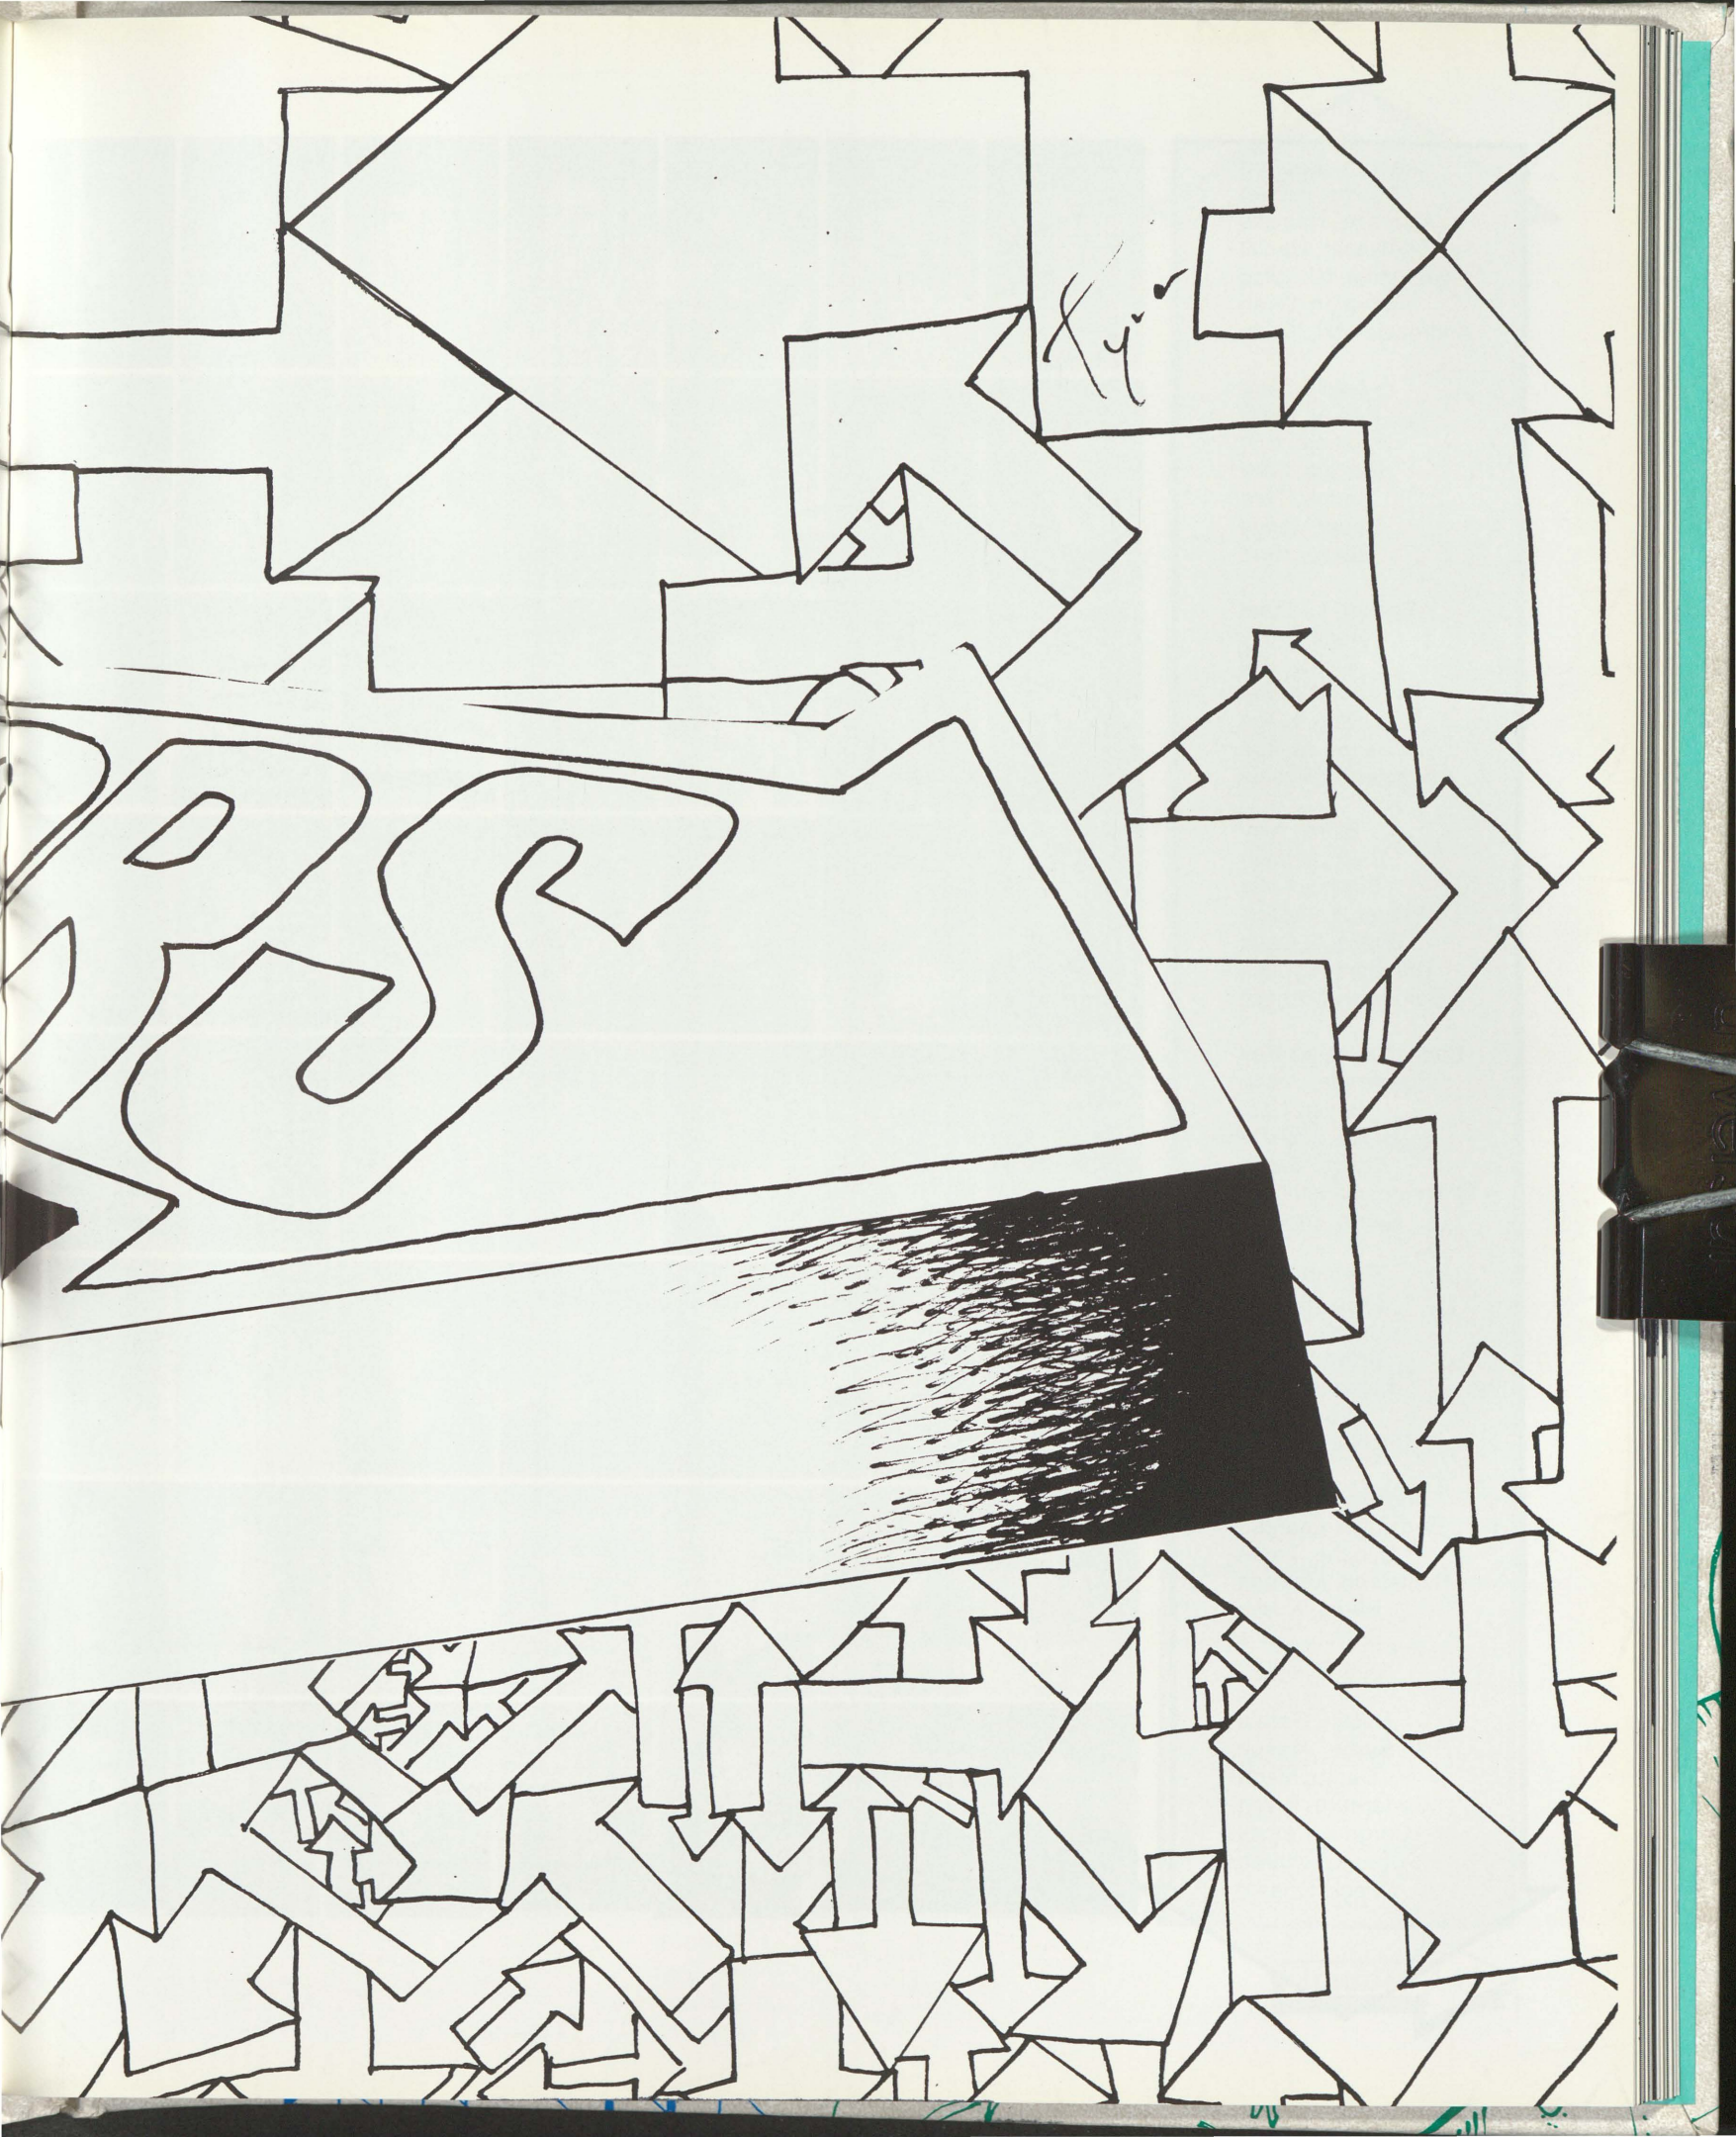

Where is the rest of that man's body?

The fun and excitement of Art classes and wood shop abounds! "We survived" said Mr. Copp. There is a lot of cooperation inside that helps to keep a light hearted spirit there. Studio art students Allison Simmons, Joe Gromack, and Anna Akright had lots of good things to say about the year. Allison said "After helping everyone else with their art, (no names mentioned Joe) I'm glad I still got a chance to do my own art work". Joe thought that "Knowing that there were people willing to help me with my art projects" was the best. Anna's comment was different from the others', she said, "Radio Days' are fun!" When asked, Mr. Nagel described his classes as "Creative energy ALMOST under control". Great Job guys, thanks!

Stay inside the lines Ann.

Latin class havin' a blast

The French/Spanish Club participated in many events this year. They enjoyed a Mexican dinner at La Placita and indulged in fine French cuisine at cafe Edwards. They sold candy as a fundraiser to help pay for a ski trip they took.

The German Club did many things for the school. They held a craft bazaar and a delicious pancake breakfast which was open to the public. They participated in the Homecoming parade with a Little Red Riding Hood float. At the end of the year, they participated in a German craft called Schireschnitten.

The Latin Club had a very productive year. They sold pizza and Latin cookbooks as fundraisers. They held their own Latin basketball games and had a lot of fun. They also had a Homecoming float called "The Last Days of Pompeii". This float won the Most Unique prize. Lastly, the Latin Club took a field trip to Wayne State University to see the play *Julius Caesar*.

N. H. S.

The National Honor Society consists of diligent students who have obtained a grade point average of 3.35 and have some involvement in extracurricular activities. The N.H.S sponsors many activities throughout the year to help students and the community, including a Halloween party and the distribution of food baskets.

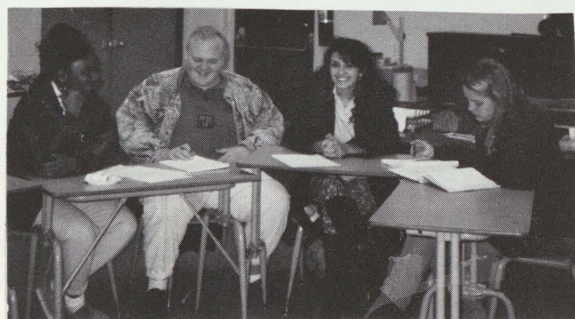

The White Pine Council is made up of students from Buena Vista, John Glenn, Bridgeport, Mt. Pleasant And Heritage High Schools. It is headed by President Jennifer Middleton.

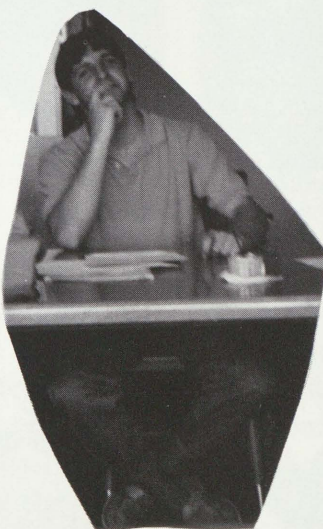

The White Pine Council's purpose is to promote good sportsmanship throughout the schools and their teams. The members from all schools meet once a month in different locations. They also spend a day visiting other schools and classrooms. The council members try to make our school better by using ideas from other schools.

The 1991-92 drama season was a smashing success from start to finish. The Club produced two plays this season: "Life with Father" by Clarence Day, and "The Endgame" by Samuel Beckett.

I myself had the pleasure of having a role in "Life with Father" under the leadership of one Mr. Royle. There was a unique mix of personalities in the cast for this play, and over all, made the production all the more enjoyable to the audience.

"The Endgame" is entirely different than the latter. Lacking the action usually expected from a play, the actors brilliantly made up for it with their dialogue, and very emotion stirring symbolism in their words.

S.A.D.D. STUDENTS AGAINST DRIVING DRUNK

SADD has become one of the most active organizations at Heritage. This year the club saw its membership grow from 25 to well over 100 students. With this new-found support, they were able to double the number of projects carried out during the year. The SADD Assembly during the first part of the year set the wheels in motion and as the months progressed, a variety of activities were successful. The year concluded with the mock accident in the parking lot.

Tri

M

Many of you people reading this may wonder "What is Tri-M?" Well, I'll explain it to you. It is the International Honor Society for Music students in junior and senior high schools, once called the "Modern Music Masters". It is run by the Music Educators National Conference which consists of over 60,000 music teachers nation wide who realize the importance of recognizing and motivating musical achievement in their students. Some of their activities include: sponsoring concerts, providing ushers, soloists, giving performances and honoring people for music program contributions. They meet during the school year to plan their activities. To become a member of this musical group, you are required to have a 2.5 GPA in your academic subjects and a 3.3 GPA in your music courses, there is an application to fill out, and then you have to perform a solo or prepare an oral or written report, they also take part in a formal membership presentation ceremony. If this sounds like it could be for you, go for it! and let your musical talent take you places.

Not many people are aware of the Christ Alive religious group. Maybe its time we start to pay attention to this active club.

Everyday the Christ Alive group meets in Mr. Bilby's class room for lunch. First, they pray, then they eat, and then they share meaningful passages out of the bible. In addition, many times they have guest speakers come in and discuss religious beliefs with them.

This year the Christ Alive group formed a \$400 scholarship fund for a qualified student at Heritage. Another activity they participated in was raising food for the Rescue Mission during the Christmas season. They went door to door collecting cans of food and also went caroling for donations.
